

2018-19 Arts Projects Successful Grant Recipients

The 2018-19 Northern Territory Arts Grants Program offered two funding rounds through the Arts Projects category to support the development of new work, development of arts skills and the presentation and promotion of arts projects offering up to \$20,000 per application. A separate category prioritised emerging artists offering up to \$15,000 per application.

\$400,000 in grants awarded

Arts NT received 90 applications to both rounds. \$400,000 in funding was offered to 28 successful applications following the recommendations made by a peer assessment panel.

The panels considered the merit of all applications against the project category objectives and assessment criteria. The panel also considered track record of support, art form and regional spread, diversity of applicants and participants including new applicants, Indigenous, youth, disability and cultural diversity.
